# MaxPreps Help

# MaxPreps Setup

- You will need to have a MaxPreps account before you can start
- The Export feature only works on a computer as the iPad browser does not support file transfer
- Please log into your WebReports account on your computer by going to [www.rotate123.com](http://www.rotate123.com) and clicking the Login button the top right.
- After logging in, click the SoloStats WebReports tab.

# MaxPreps Export

- In WebReports go to the Matches Tab
- Click the Export button next to the match you want
- You will get a download file message
- Save this file where you can find it
- It will have the opponent's name

SoloStats WebReports
